**CHIC MARKS THE SPOT** Global flavours spice up New York's posh palates at the Mark Restaurant, the latest eatery by celebrity chef Jean-Georges Vongerichten, who is renowned for his simple, market-fresh cuisine. Nestled in the new upscale Mark Hotel, the menu features European classics and has already attracted the likes of Mick Jagger to its chichi but comfortable tables. Whimsically and artistically designed by Jacques Grange, who also did the hotel, dining room highlights include the copper and glass wine wall and bronze and glass ceiling (designed by Eric Schmitt). The Mark Restaurant is open for breakfast, lunch and dinner most days, while the adjoining bar is open from 11 a.m. to 1 a.m. [MarkRestaurantNYC.com](http://MarkRestaurantNYC.com)
