The Mark Express at The Mark Hotel- Upper East Side

New Yorkers love convenience – they know what they want, and they want it now. The Mark Express kick starts your day with quick and delicious selections from The Mark Restaurant, chosen by acclaimed chef Jean-Georges Vongerichten.

Located in the elegant, Jacques Grange designed Mark Bar at **The Mark Hotel**, this grab-and-go option is perfect for guests heading to an early morning meeting, a quick bite before departing for the airport, or snacking while relaxing with friends. Starting at 6:30am, guests will find a variety of continental pastries, fresh fruit, coffee and tea, fresh squeezed juices, and a selection of NYC's famous H&H Bagels. From 12pm to 3pm, there will also be sandwiches available for lunch and afternoon snacks.

The Mark Bar is now an Upper East Side destination from sunrise to sunset.
